Learning Card

Strategyzer

Insight Name People are okay with being interrupted

Date of Learning 11/16/26

Person Responsible Ji Qi

STEP 1: HYPOTHESIS

We believed that

people will be ok with being interrupted in meetings for something important

STEP 2: OBSERVATION

We observed

that pressed the downvote button for Quicken interjections less than 30% of the time

Data Reliability:

STEP 3: LEARNINGS AND INSIGHTS

From that we learned that

people like the reminder aspect of the pop up reminders and interruptions

Action Required:

STEP 4: DECISIONS AND ACTIONS

Therefore, we will

continue with our pop up strategy and focus on making the pop up options more customizable
